

## Letter of Intent Article 6.3 (e)

Each year, the university will replace up to one quarter (1/4) of full-time academic staff and professional librarians computers (that exceed 4 years old), with a standard model, on the following cycle: commencing January 2018, January 2019, January 2020, January 2021. Replacement decisions will be made by Deans and the University Librarian, in consultation with chairs, directors and department heads, as appropriate.
