

Letter of Intent: *Re* Association Grievance 16-P-00054 (Knopf)

Whereas the parties are scheduled to appear before Arbitrator Knopf to have Association grievance 16-P-00054, Article 18.8(a) heard;

And whereas the parties agreed on February 9, 2018 during bargaining negotiations on the meaning of "term of office" for the union positions specified in Article 18.8(a);

The parties therefore agree:

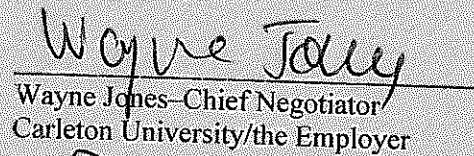

1. That the Employer will accept the Association's counter of February 9, 2018 as presented by the Association this day, with no further amendments, and including the definition of "term of office" to mean two years;
2. The Association will withdraw its grievance within five (5) days of the signing of the February 9, 2018 counter, without prejudice or precedence to its rights in this matter;
3. That Arbitrator Knopf remains seized of the matter 16-P-00054 until such time as this collective agreement is signed.
